Helper's List

In an attempt to keep everything fair there will now be a roster system for helping at swapmeets. I will post a list on the notice board soon, tick the boxes as appropriate and then all will take it in turn to help.

Note that helpers are expected to do just that, HELP; it is not a free ticket to get the bargains before the public enters.

Reynella Fair

Sunday November 12th was a busy and full day of sausage sizzling; we sold 90 kilos so it was a very good day for the club, thanks to all helpers.

Social Day

We are having a BBQ at Old Noarlunga, date to be announced. The club will supply some sausages, onions, sauces etc. If you want something else then bring it along. Please bring your own salads or arrange with others to share. The idea is to have a day without anything to do with trains so that the better half can join in and enjoy it.

Let Peter Lynch know your thoughts so that we can get this organized.

Internet Access

As mentioned at the AGM those who wish may bring along their dial-up internet access setup details and we will load them on the club computer to provide this service to all members. Note that club business will always take precedence over casual use.

Clean Up

John has been busy making a tool board and hanging all the tools, please put them back after your use... or risk the wrath of John! Any person caught leaving a mess will win the job of cleaning up.

While we are having a bitch-session please do not put your train boxes on the layouts as it damages the scenery. John has made trolleys to hold your boxes safely off the floor, please use them.

Strathalbyn Exhibition

Andrew is investigating the possibility of running another small exhibition in Strathalbyn probably 28th - 29th October 2007.

Membership

Ronald Collins has decided to join our ranks, please show him a warm welcome and help him learn the ropes.

Included with this issue, a few members will be receiving a reminder invoice for membership fees, if you are one of these 'lucky' ones please pay your dues to keep your membership current.

Wanted

Someone out there to write articles, comments, ideas, reviews etc. for inclusion in this newsletter. I am sure that I am not the only one that can do this and it would be nice to have a different point of view for a change.

While it would be easier if things were submitted electronically, I do not mind typing out a hand written article.
