November Open Day and Swap Meet

Despite the exceptional hot weather a very successful Open Day and swap meet were held on Sunday November 8th at the clubrooms. About 14 sellers had tables and were busy much of the morning. Trading started at 10.00 and there were many buyers as well as visitors during the day. It was hard to estimate how many people actually visited us, but there were a number of interested enquiries from people who we hope to see again at the club.

The fact that members were running trains during the morning encouraged more interaction with visitors and the committee would like to thank all the people who came to take part in this.

As usual Ron and his helpers ran the barbecue and sold sausages etc. Both hot and cold drinks were especially welcome on the hot day.

The traders were all happy with the trade they accomplished. Many members found useful additions to their stock.

The move from the June date to November was felt by most people to be a success as although the weather was unseasonably hot, with the aid of the air conditioners everyone was comfortable and we did not have cold wet weather of former years.

Reynella Fair report

Reynella Fair was held on Sunday 29th November on a cool and sometimes wet day. We were set up in a similar area to last year, in our own shelter and using our own equipment. Around fifteen members assisted throughout the day and we were busy most of the time especially following the parade. The afternoon weather was not very encouraging and there were fewer customers, with some returning for seconds. Overall the day was successful and enjoyable. Thankyou to everyone who helped.

Exhibition swindle

Our exhibition is eight months away, and preparations have begun. One thing that must get started early if it is to be successful like previous years is collecting swindle prizes. There is a box at the clubrooms, which thanks to the efforts of a few members has quite a few items in it. What we are looking for is anything that can be given away as a prize, i.e. unwanted Christmas/ birthday presents. These items do not have to be from yourself, they could also be from businesses that might like to sponsor us, we can repay them with a mention in the exhibition guide.

Committee Meeting

Please note as from January 2010 meetings will be held on the 2nd Monday of the month

Raffle Winner

One of our junior members Joshua Schache won a prize in the Reynella Fair Raffle, 5 visits to Paramount Fitness Centre. Congratulations Joshua. You have to be in it to win it.

A big Thank you

We really were remiss when we forgot to thank the 'big fella' for slashing the grass around our building a few weeks ago. It is thoughtful things like this that show how enthusiastic our members are towards making our club a place that we can all take pride in. Thank you Graham.

End Of The Line Hobbies

Your One Stop Hobby Shop

End Of The Line Hobbies is offering club members a 5% discount off all purchases. To be eligible you must be a current financial member and mention your club membership at the time of purchase.
