Soldering Course

John Cutler will be holding two courses on Thursday 18th & Saturday 20th February 2010 if you are interested put your name down on the notice board & indicate which of the days you prefer, Both days will cover the same theory & practical training.

2009 Christmas Dinner

The Club Christmas dinner was held at the Aberfoyle Hub Tavern on Saturday 12th December 2009.

More than 40 members and partners attended the dinner and enjoyed the time together. The dinner gave the opportunity for members to meet in a different environment from the usual club meetings and it was good that people were able to mix together and enjoy themselves.

We will probably be considering a new venue for this years dinner, so if you have any suggestions please let a member of the committee know of any nearby hotel that can accommodate around forty people.

Perry Park Exhibition

The Committee has been asked to arrange an all day exhibition at the Perry Park Retirement Village River Road, Port Noarlunga on March 21st. We will be taking Paradigm and will need to be there around 9.00 am for a start at 11.00 am. We have been asked to run trains from 11.00 am to 3.00 pm

We will need around 12 people during the day to assist with setting up and running the trains. If you are able to help at any time on the day please sign the list on the notice board; it would be useful if you could specify the time you will be available

This display is a community service and the first part of our new reaching out program, so we would like that bit extra effort to make it successful and there fore need you support any time you can give would be appreciated.

Remember, it is your club and your hobby, promote them.

Please remember this is a club event and club shirts are to be worn.

Prototypical trains should be run.

Exhibition swindle

Our exhibition is eight months away, and preparations have begun. One thing that must get started early if it is to be successful like previous years is collecting swindle prizes.

There is a box at the clubrooms, which thanks to the efforts of a few members has quite a few items in it. What we are looking for is anything that can be given away as a prize, e.g. unwanted Christmas/birthday presents. These items do not have to be from yourself, they could also be from businesses that might like to sponsor us; we can repay them with mention in the exhibition guide

Male or Female? You might not have known this...but a lot of non-living objects are actually either male or female.

TRAINS: Definitely male... because they always use the same old lines for picking up people.

End Of The Line Hobbies

Your One Stop Hobby Shop

End Of The Line Hobbies is offering club members a 5% discount off all purchases. To be eligible you must be a current financial member and mention your club membership at the time of purchase. The club will receive the same amount as a voucher for use as we see fit. So you can help yourself and the club at the same time. Delivery can be arranged anywhere in the world and orders may be placed in person at the shop, via e-mail, snail mail, phone or fax. There is a stock hold option and payments can be made by Visa Card, Master Card, EFTPOS and good old fashioned cash!

Wednesday – Sunday 10:00 am – 4:30 pm
