## Vale

We were all saddened by the death of our founding member Graham Harvey 1.2.1932 – 18.5.2010. Our thoughts and sympathy go out to Leora, Barbara and Tamra.

It was Graham's wish that Leora remain involved with the club and the committee has agreed to make her an honorary member.

We will miss his big booming voice and all the raffle tickets that he excelled in selling for us and other groups. Rest In Peace Graham.

## Library News

Our librarian has suggested that only financial club members may borrow and for a period of two weeks. If necessary, return and re-sign for further two weeks. Members must get their signature in the loan book countersigned by any other member who should check the borrowed item has been entered correctly. When returned, it should also be countersigned and the item sighted. This should avoid items 'disappearing', like the numerous videos and DVD's which seem to have gone AWOL.

The committee has endorsed these new rules. Steps will be undertaken to secure some of our more valuable books in a cabinet which can be easily accessed by asking any committee member to open it for you. We appreciate your co-operation with the new system.

## Badges

We have been asked to please wear name badges at the aged care displays, so the residents know who they are speaking to.

## Kapara Aged Care

On Sunday 6th June we took Paradigm to Kapara. They were really well organized when we arrived, the BBQ was sizzling and there were helpers there eager to assist us. We set up in their comfy common room which even had a bar, and then were offered sausages and drinks. A train DVD was playing in the background, and then the families began drifting in. Of course the children were excited and even the grandparents loved Thomas.

Carers wheeled in residents confined to chairs or beds, some dear souls had to view the fiddle yard because they really wanted to know how it worked. They then enjoyed Devonshire tea (which was yummy). A couple of ladies said it was good to have something different to do on a Sunday as normally they just stayed in their rooms. It was a nice place and we reminded one of our members that security might not let him out!

It is events like this that put us in good stead with the council when applying for grants. Community involvement especially with the aged is looked upon favourably. Next summer when you enjoy our air-conditioned club rooms just remember that the council helped us with a grant.

## Bedford Industries

We have had two locos and two controllers donated to the layout we have for Bedford Industries.

This gesture is another way of gaining credibility with the council for future grants. The layout will be delivered to Bedford Industries by the free orange express.
